He is Dr. Robert Evans, M.B., B.Ch., M.D., FRCS, who was trained at Queen's University, Belfast, Ireland, but has made his home in Birmingham for many years. Dr. Evans served with the rank of Major with the British Forces during the last war, and he also practised for some time in Africa. ## NEWS ROUND UP

890 PASSENGERS ARRIVED AT WALL-BLAKE AIRPORT. Hundreds of Anguillians returned home for the X'mas holiday season. There was scarcely a moment's rest for the pilots of Valley Air Service who kept a busy schedule. Joined by another pilot, Maurice Connor, formerly of Anguilla Airways, V.A.S. was able to keep all three planes on the run.

Anguilla Airways, whose single plane was grounded in Anguilla because of mechanical trouble, acquired a 7 seater Islander, during the rush season that was also on the run, plus Windward Island Airways. In all 890 arrived at the Airport and hundreds more by sea from St. Maarten.

ANOTHER PILOT: Mr. Bernard Richardson the son of Mr. Syrenius Richardson of the Valley returned to the island with his Commercial Pilot's License. It is understood that Mr. Richardson will be a pilot for Anguilla Airways. Mr. Richardson went to Burnside Aviation School in Miami.

CAR ACCIDENTS: The most major car accident for the season was a head on collision at South Hill around the corner near H.M. Commissioner's Office.

Two big American cars, a Plymouth A237 and a Chevrolet A253 were extensively damaged in the Boxing Day collision. One man a Nevisian, was hospitalized (cont'd on page 2)

### NEW SUPERINTENDENT FOR PUBLIC WORKS (cont'd from page 1)

Ministry of Overseas Development was announced by H.M. Commissioner's Office.

Mr. Morgan arrived on the island early this week; he will be joined by his wife and their two children, a son and a daughter shortly, and the family expect to reside at Blowing Point. Mr. Morgan will be going to Barbados this week end to collect his family and to have a meeting with the Development Division to discuss matters concerned with the setting up of the new Public Works Department in Anguilla.

Twenty-nine years of age, Mr. Morgan's home is in Huntley, Gloucestershire; he recently completed a 12 month tour of duty as Senior Road Engineer in St. Vincent. Prior to that posting Mr. Morgan served as a Construction Site Engineer and was Assistant Engineer in the design of motorway structures for the London-Yorkshire motorway and midlands link with the firm of Sir Owen Williams and Partners; he later served as Assistant Engineer (Special Works Section) for the Gloucestershire northern by-pass and in construction of the famous M4 motorway in England.

after receiving many cuts in his face.

In another accident, Munroe Webster of Island Harbour, sustained a broken leg when his motor cycle collided with a motor car driven by Mr. Naaman Webster also of Island Harbour. Munroe has been transferred to the Holberton Hospital in Antigua.

Also in the Holberton Hospital in Antigua is Dr. David Berglund who fell from a ladder in Super Cinema, breaking his hip and wrist, on New Years Eve Day. Dr. Berglund is the Proprietor of Super Cinema.

### BUST FOR RONALD WEBSTER:

A public meeting was called at East End School on Sunday January 3rd by Mr. James Richardson of Island Harbour, when he announced his intention to collect funds toward a "crown" for Mr. Ronald Webster, for "deliberating Anguilla from St. Kitts". When it was suggested that it was <sup>not</sup> proper to make Mr. Webster a king, it was decided that it was appropriate to collect funds toward the erection of a "bust" in his honour.

It was not quite clear as to where the bust would be erected, because some of the people present felt that it should be contributed to by the people of East End only, and be erected in East End. Others felt that it should be island-wide and erected probably in the Park or at the round about at South Hill.

Mr. Vivian Vanterpool of East End has been appointed Chairman of a Committee to raise funds for the purpose. The meeting was well attended by the people of East End and Island Harbour.

### MISS ANGUILLA 1970-1971

Miss Maria Lake of East End, was crowned Miss Anguilla 1970-71 on December 29th at the Super Cinema, after being chosen Anguilla's beauty. Miss Maria Lake, age 16 was chosen Miss Anguilla from three contestants when they made their appearances on stage at Super Cinema, on Dec. 19th dressed in Swim Suits and Evening Dresses, at the beauty Queen contest. The runner up was Miss Donna Gumbs of Rey Hill. The other contestant was Miss Cresida Connor of South Valley. The Queen Show was sponsored by the Anguilla Christmas Festivities Committee.

ANGUILLA IMPROVEMENT ASSOCIATION NEWSLETTER.

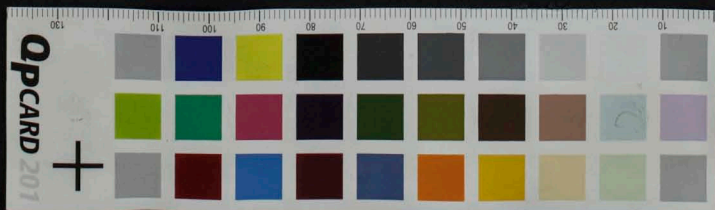

15th Dec., 1970.

As the year draws to its close this will be the last report of activities within the association for the year 1970. The

Annual General Meeting was brought forward this year to September 27th and the following were elected as officers for the year ahead. Mr K. Gumbs Chairman; Mr. Claude Brooks Vice Chairman; Mrs. Hestel Hodge General Secretary; Mr. Leonard Cartwright Assistant Secretary; Mr. Ernest Harrigan Treasurer; Mr. Evan Gumbs Social Secretary; Mrs. Evelyn Richardson Chaplain and Assis. Secretary; Messers. Vincent Wathey and George Gumbs Trustees.

On September 23rd, those of us who could attend at short notice had the pleasure of meeting Rev. John Gumbs and his wife during their short stay in Britain. Rev. Gumbs spoke of conditions at home and answered the many questions put to him. We are indeed grateful to him for making the visit possible, and delighted to have met his wife. Our association is always willing to welcome visiting Anguillans to Slough.

The year has been a struggle to keep the wheels of progress turning in the association; the percentage of attendance at meetings was low, and some of our social functions had to be cancelled. The financial statement for (cont'd on page 4)

WOODING COMMISSION REPORT:

(Cont'd from page 7)

The full text of the Report of the Conference omitting the Appendices is at Annex 7.

76. The final session of the Conference had been adjourned on 29 July to allow for consultation between the Anguillan delegation and the Anguillans at home. Some of the delegation accompanied by its legal adviser, Mr. H. deB. Forde, then travelled to Anguilla to discuss and obtain from the Anguillans at home a full mandate to sign the terms agreed at the conference. In consequence of this consultation, the initial Anguillan delegation was on 30 July enlarged to include Messrs. A Harrigan, A Webster and Jeremiah Gumbs.

77. The conference report was signed by all delegations. In the case of Anguilla Mr. Adams the leader of the delegation, Mr. J.R. Rogers, Mr. E. Gumbs and Mr. W. Hodge signed the report but Mr. R. Webster and Mr. W.C. Richardson did not. Mr. Webster admitted in his evidence before us that he had accepted the conference report in principle but would not sign it without first knowing that it was acceptable to the people in Anguilla.

78. Agreement at the conference was not easily reached. Some members of the Anguillan delegation said to us in evidence that the United Kingdom delegation had used intimidating language in order to get them to sign the conference report-
